#VOLUNTEER

Jigsaw (South East) are looking to expand our team of Community Fundraising Volunteers to help with fundraising on an ad-hoc and flexible basis within their local community, to enable us to raise vital funds to continue to provide our valuable service to local bereaved children and their families.

Fundraising volunteer activities may include:

- Fundraising collections (street, stations, shopping centres etc.)
- Supporting at outdoor / sporting events (marshalling courses, teas and coffees etc.)
- Evening fundraising (taking tickets, raffle, serving drinks etc.)
- Fundraising admin support (helping with various administrative tasks)
- Store events (charity bag packing, Christmas gift wrapping etc.)
- Manning a stall/stand/activity at an event (i.e. craft activities, information stand etc.)
- Volunteering at the Hever Castle Triathlon/Colour run/Commando Series events
- Christmas collections/carol singing locally
- Serving cakes/teas and coffees at coffee morning-style events
- Helping to look after a stand at profile-raising events
- Corporate partner fundraising events

How regular are the volunteering opportunities?

The Community Fundraising role is a flexible ad-hoc role, with the opportunity to volunteer as much or as little as you wish. Volunteers will be contacted by email with the opportunities available in advance of the event and will be asked to respond if they are available to help on that day. There is no minimum expectation, but we would be grateful for your commitment to volunteer at least once a year.

Where will the volunteering opportunities take place?

East Grinstead and Surrounding areas through to Surrey and West Sussex (volunteers may choose) Our policy is that volunteers will be accompanied by either a Jigsaw (South East) staff member or senior volunteer, so you would never be left on your own.

Is training required?

No training is required for this role, however you will receive relevant information about the charity and its services prior to attending your first fundraising activity.

Person specification

- Ability to sympathise/emphasise
- Ability to work both in a team and individually
- Friendly and willing to engage with the public
- Willingness to learn about the charity and its services
- Use of a car (desirable) or access to transport
