

FAMILY NEWSLETTER

Welcome to our first newsletter!

In the future, this is how we'll be keeping in touch to let you know what's happening at Jigsaw.

We'll be sharing details of upcoming information sessions, social events and other activities you might be interested in, which complement the support we are providing you and your family.

Jigsaw Social Events

Our social events provide families with an opportunity to meet others going through a similar experience, to make new friends and for children to feel less isolated. Our staff will be on hand to meet you, but these are experiences to enjoy together as a family.
